PEUGEOT METROPOLIS

USEFUL TECHNOLOGY

Symmetrical front lights, reverse counter, Smart Key, ABS... Peugeot Metropolis is truly inspired by the world of Peugeot Automobiles. Useful technology such as the automatic warning system and electronic parking brake simplifies everyday use, combining driving pleasure, practicality, safety and performance. This is the most high-tech scooter on the market and it is made in France. It requires only a standard driving licence.

CITYSTAR 125 / 200

AGILE AND COMPACT

Just as happy in town as on the highway, Citystar is the perfect solution for users looking for a scooter that is compact, comfortable, safe and manoeuvrable. The compact scooter GT benchmark with a remarkable spec/price ratio for its category. With its digital instrument panel and LED lights, it is difficult to compete with a scooter with such a full spec.

ACTIVE • BLACK EDITION • RS

- 13" WHEELS
- SBC® BRAKING AS STANDARD
- DUAL ADJUSTABLE SHOCK ABSORBER
- HALOGEN LIGHTING
- DUAL 2X35W HEADLIGHTS

DJANGO 125

#MYDJANGO

A SCOOTER WITH ELECTRIFYING CHARM

With its "revival" look, inspired by the S55, Django, the anti-conformist, is the ideal companion for all your outings. A subtle combination of style and audacity for this "feel-good" scooter. The entire Django 125 range is now fitted with ABS braking (except for the Heritage version).

HERITAGE • EVASION • ALLURE • S

- PEUGEOT EASYMOTION® 125 ENGINE
- HALF-ANALOG HALF-DIGITAL INSTRUMENT PANEL
- ANTI-SLIP FLAT FOOTBOARD

PEUGEOT BELVILLE 125 / 200

THE AGILE HIGH-WHEEL SCOOTER COMBINING STYLE AND COMFORT

On major roads or small cobbled streets... Thanks to its high wheels, Peugeot Belville is stable and agile, no matter what the road surface.

With the Peugeot SmartMotion® 125 engine and the ABS system, optimum performance and safety are ensured. In addition, the large storage compartment on the Allure version enables you to store a full-face helmet, and so does its standard matching top case.

ALLURE • RS
